## Audience and use

---

This document is intended for use by recognized technicians employed by authorized service providers and Measurement Canada inspectors who complete device examination certificates under the authority of the *Weights and Measures Act* and the *Weights and Measures Regulations*.

The controlled version of this document is available on the Measurement Canada website. Printed PDF, printed HTML or downloaded copies are considered uncontrolled versions. If you are using an uncontrolled version, you must regularly check whether it matches the controlled version.

## Terms, conditions and termination

Users of the Online Reporting Application (ORA) are bound by the Online Reporting Application Terms and Conditions of Use and must always comply with Innovation, Science and Economic Development Canada's Terms and Conditions. Measurement Canada may, at its sole and absolute discretion, cancel or terminate your right to use this application or any part of the application at any time, without notice or liability to you or any other person.
